Meet our group

RMO is established since 1985 and started its activity with temporary work services but the company developed a large choice of HR services following its client's needs.

Our human resources experts work alongside you and bring you their skills to evolve among the constraints an organization can face.

RMO is more than 25 000 employees in western Africa with branches in Ivory Coast, Mali, Burkina Faso, Togo and Senegal.

“

We enable our clients to outsource all the activities that are not their core business.

”
